Tender Clarification No.1

03 December 2025

No.	Query	Reply
1	In reference to Tender Schedule 4, Table E, the cost for “modification of the DG store” may vary depending on the intended scope of modification. Could you clarify what the ultimate objective of this modification is?	<p>The existing dangerous goods (“DG”) store has been constructed with some provisions for storage of class 2.2 (non-flammable, non-toxic gases) DG (“Class 2.2 DG”). Please see Appendix 1 for the photo showing the current condition of the existing DG store.</p> <p>The DG store is expected to have required tools and equipment installed, and applicable safety measures implemented, so that it can be licensed for storage of Class 2.2 DG in compliance with the applicable laws and regulations, such as the Dangerous Goods Ordinance (Cap. 295), the Fire Services Department’s (“FSD’s”) Code of Practice for Dangerous Goods, and other applicable licensing requirements imposed by the FSD.</p>
