

VosynVerse HK Limited - Video Editing - Internship**Company Name: VosynVerse HK Limited****Position: Video Editing - Internship****Posting Date: 25 Aug 2026**

Job Title	Video Editing - Internship
Job Description:	About the Role: As a Video Editing Intern at Vosyn, a pioneering AI-driven company offering products like VosynVerse, VosynCore, and VosynConnect, you will play a key role in bringing our innovative projects to life through engaging and cinematic storytelling. This fully immersive internship provides a unique opportunity to apply your creative skills, contribute to high-impact video projects, and collaborate closely with senior leadership to visually showcase Vosyn's groundbreaking solutions in the AI landscape. This is an exciting opportunity for Master's level students or recent graduates to gain hands-on experience in video production, motion graphics, and content creation within a dynamic, high-growth AI environment. Key Responsibilities: • Assist in the creation of engaging scripts for promotional videos that align with Vosyn's marketing objectives. • Develop storyboards that visually represent the script and company identity. • Curate promotional video content for various social media platforms and the company's website. • Collaborate with the Marketing team to build social media campaigns to ensure optimal engagement. • Attend and film in-person events to capture footage for a variety of different videos.
Requirements:	• Currently enrolled or recently graduated from a Master's in media, film, communications or marketing. Master's program enrollment or completion is mandatory. • Possess a strong background in Animation, Videography and Motion graphics, with a keen eye for detail. • Experience in videography with the demonstrated ability to capture high quality footage. • Proficient in using editing software such as Photoshop, DaVinci Resolve, Adobe After Effects, Capcut and Adobe Premiere Pro. • Ability to work both independently and collaboratively. • Strong problem-solving skills and attention to detail. • Language: English New graduates are encouraged to apply

Application method: Please send your resume to: mcarter1661@gmail.com
